

The Ohio State University Wexner Medical Center brings health care to you!

What is the Ohio State Wexner Medical Center Community Care Coach?

The Ohio State Wexner Medical Center Community Care Coach is a state-of-the-art health unit on wheels that brings our health care team to you.

How does it work?

The Community Care Coach looks like a doctor's office with exam rooms, doctors, nurses, a social worker and other health care professionals. Services offered include:

- **Primary care**
- **Prenatal and women's health**
- **Physicals**
- **Health screenings and immunizations**
- **Lab services**
- **COVID-19 testing and vaccination (18+ and older)**

When and where?

Primary Care:

Every Wednesday and Friday: 9 a.m. to 3 p.m.
Shepard branch of the Columbus Metropolitan Library, 850 N. Nelson Road

Every Thursday: 10:30 a.m. to 2:30 p.m.
All People's Fresh Market, 945 Parsons Ave.

Prenatal and Women's Health:

**First and third Tuesday of each month:
9 a.m. to 3 p.m.**
Epworth United Methodist Church, 5100 Karl Road

To schedule an appointment, call 614-293-CARE.

Benefits of using the Community Care Coach

We want care to be more convenient and comfortable for you. Using the mobile unit means you receive the health screenings and treatment you need to stay healthy — right in your neighborhood. The Ohio State Community Care Coach accepts all patients regardless of ability to pay. We accept Medicaid, Medicare and all major insurances.

**For more information, call 614-293-CARE (2273),
